

Athletic Training Admission Requirements

Coursework

5550:110 Introduction to Athletic Training
5550:212 FA/CPR for Professional Rescuer
3100:200/20 Anatomy & Physiology I and lab
3100:202/203 Anatomy & Physiology II and lab

Application Deadline: May 1

Admission application

Available via the web @ www.uakron.edu/sportmed

Available via Program Director, Memorial Hall 77D

Included in the application:

- General information regarding the student
- Typewritten essay
- 2 letters of recommendation

Interview

All candidates meeting initial admission criteria will be contacted and scheduled for an interview during finals week;

*This is a separate process than admission to the College of Education; one does not need to be in the College of Education to apply to the athletic training clinical education program, although it is helpful

**Applications will only be taken once per year beginning in spring 2007 (May 1 only)
