

PANELISTS

Richard A. Ciccarone '78
Managing Director & Chief Research Officer
McDonnell Investment Management, LLC
The University of Akron, 1978

Richard Ciccarone, who has 35 years of investment industry experience, is responsible for managing the McDonnell investment research resources, including the management of research analysts and analytical tools to support client portfolios. McDonnell is an institutional fixed income investment management firm located in Oak Brook, IL with responsibility for over \$13 billion in fixed income assets. McDonnell Investment is a subsidiary of Natixis Asset Management L.P. In addition, Mr. Ciccarone is the President and CEO of Merritt Research Services, LLC — a municipal bond credit database research company serving institutional clients throughout the U.S.

Barry James, CFA, CIC
President/CEO and Portfolio Manager
James Investment Research and
President of the James Advantage Funds

Barry James received his undergraduate degree from The United States Air Force Academy and his Master's Degree from Boston University. He joined James Investment Research in its beginning years before a tour of duty as an officer with the United States Air Force. He returned to the company in 1986. Barry currently oversees the management of James Investment Research and is a senior member of the Investment Committee.

Stuart Lichter
President and Chairman of the Board
Industrial Realty Group, LLC

Stuart Lichter is a nationally recognized leading force behind the adaptive reuse of commercial and industrial real estate throughout the country. Primarily through Mr. Lichter's efforts, IRG and its affiliated companies have acquired and developed over 100 industrial and commercial properties and has made the IRG portfolio one of the largest private holders of industrial and commercial real estate in the nation. These properties represent virtually every area of real estate, such as office buildings, industrial and warehouse buildings, shopping centers, business parks, hotels, mini-storage facilities, marinas, apartments, mobile home parks and mixed-use developments, with a primary emphasis on industrial and commercial. Notable projects in NE Ohio are Canal Place, Goodyear Tire & Rubber Company, and Hoover Company.

MODERATOR

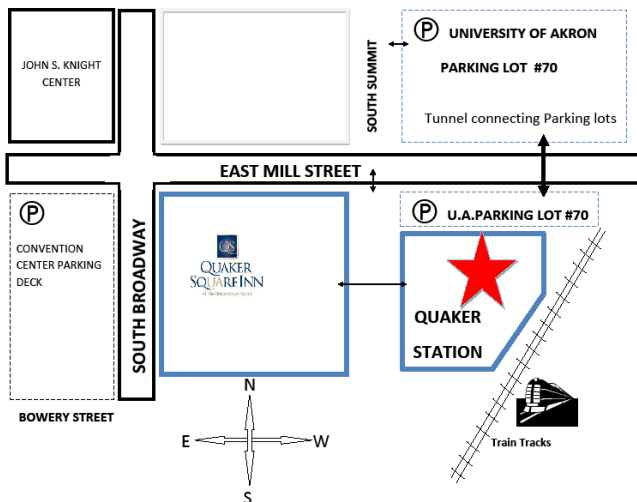

James B. Thomson, Ph.D.
Professor and Department Chair
The University of Akron
Department of Finance

Directions

Quaker Station is located **behind** The Quaker Square Inn at The University of Akron, on the corner of South Broadway and Mill Street. It is a separate building from the Hotel.

Free parking is available. Turn into Parking Lot from Mill Street; building will be on your left. Parking is next to the building, or continue to the back of the lot and turn left, and continue into the lot attached via a tunnel under the bridge.
