6600: 620	Strategic Marketing	3 credits
6500: 652	Managing People in Organizations	3 credits

** Students not demonstrating proficiencies will be provided with development alternatives that do not count towards degree in order to obtain and demonstrate proficiencies before proceeding to CORE courses. (This could be met with undergraduate courses.)*

FLEXIBLE MBA for Applied Mathematics Student

MBA CONCENTRATION

3 or 4 courses

9 or 12 credits

May be an established concentration or interdisciplinary and self-designed by permission.

MBA INTEGRATIVE

6500: 695

Organizational Strategy

3 credits

MBA ACTION LEARNING*

Approved courses from each department/concentration consisting of action-based activities may fulfill this one course program requirement. Other alternatives would include internships (excluding GATEWAY internship); study abroad; independent studies of various natures which are “live” projects, etc.

A student may fulfill this program requirement with a course taken in fulfillment of concentration requirements that is listed as an approved “MBA Action Learning” course. OR A student may fulfill this program requirement by taking an approved course which is outside of their concentration.

Program Requirements

Total courses: 15 – 18 or 19

Credits: 36 or 39 minimum

48 or 51 maximum

If all Gateway courses are waived and a student fulfills the action-learning MBA requirement with a concentration course from a 9 credit concentration the program is 36 credits.

Graduate Assistantships

Full-time students are eligible for Graduate Assistantship awards within the CBA or other departments on campus. Graduate Assistantships work part-time within a department and receive a tuition scholarship for up to 15 credits per semester, a stipend and a discount on the transportation fee. Ten and twenty hour assistantships are available. For more details visit mba.uakron.edu.

GMAT Requirement

The Graduate Management Admissions Test is required for admission. Scores above 500 are expected with scores of 600 or better preferred for students seeking a Graduate Assistantship. Students are encouraged to study for the GMAT. Information on the test is available at www.mba.com. The GRE, MCAT and LSAT are also approved for admission scores of 50% or better on all sections are expected. There are many test preparation courses available as well as books and online resources.
