

Global Internship Program  
**Tata Consultancy Services**

The Institute for Global Business  
The University of Akron

*Tata Consultancy Services (TCS). TCS is a world-leader in providing a wide range of IT services, outsourcing and business solutions. TCS actively seeks and applies the best possible solutions and methodologies for enterprises, making sure to holistically factor in people, processes, and business issues.*

TCS invites internship applications from students with strengths, skills, and interest in supply chain and manufacturing. Students will work on a real project where they will provide value to the client and TCS at its various operations in India. This program is conducted in India, and is offered to a pre-defined number of students.

**Duration:** Ranges from 4-5 weeks. Apply for any of the following sessions:

- Winter: December-January
- Summer: May-August

**Eligibility:** Undergraduate students in their junior year and graduate students are eligible to apply for the TCS Global Internship Program. Students must demonstrate strong analytical, quantitative, problem solving, and communication skills. Final decision is at the sole discretion of TCS.

**Potential projects:** Students are assigned to projects based on the strategic, sourcing and business requirements of TCS as well as on the expertise and aspirations of students, as stated in their résumé.

**Support:** TCS provides basic monthly stipend for the duration of internship. Travel (to and from the US) and local housing is student's responsibility. TCS would help in finding suitable accommodation.

**Things to consider:** Winters can be cold in India, but do vary by location. You should be willing to spend the entire duration of the internship in India.

**To apply:** Submit a focused resume that details your analytical, quantitative, and problem solving skills. In a separate page (not exceeding one page), you should clearly and succinctly describe your goals from this internship, expected benefits and proposed value you can add to TCS. Both, your resume and goals should be part of one document. Please email your submissions to both Dr. Chandra ([ac10@uakron.edu](mailto:ac10@uakron.edu)) and Dr. Kim ([ikim1@uakron.edu](mailto:ikim1@uakron.edu)). In the subject line of your email, you must write "TCS Internship".

**Deadline** For Winter positions: October 15  
For Summer positions: February 15

For any questions, contact Dr. Chandra ([ac10@uakron.edu](mailto:ac10@uakron.edu))

**TATA CONSULTANCY SERVICES**

The Global Internship Program seeks to provide CBA students with opportunities to experience the global business as it happens.
