

## The Center for Career Management

**Cooperative Educa-**

**tion & Internship**

### **Fall 2005—Summer 2008 Salary Summary**

#### Overview

*The following is a summary of the average wage received by students who performed a co-op or internship during the Fall 2005 up through the Summer 2008 semester. This report is divided by academic college, then by semester and then by major. The data includes the average hourly wage, the minimum wage, the maximum wage, the number of students working on commission and finally the number of students who were unpaid. The data does not include those students who performed a co-op or internship, but did not report their salary information to the Center for Career Management.*

*Any questions regarding this report can be directed to:*
