Career Fair Recap

The Spring 2008 Career Fair was another resounding success thanks to students like you. Over 660 students attended with many finding full-time, part-time, and internship opportunities available for a wide variety of majors.

Student Chad Johnson said, "The career fair was a great experience. I was there for roughly three hours and handed out more than 30 resumes. I don't know anywhere else where you can go and meet as many potential employers that are there looking for you."

Employers participated from well known area companies such as First Energy and Target. However, there were also recruiters from all over the country including the Boys and Girls Club of America, Infocision, Howard Hanna and Cintas to name a few. The career Fair not only offered a variety of companies but also recruited students from almost every major on campus.

Both students and employers had great networking experiences during the fair. One recruiter from Dix & Eaton commented that students were "Very well organized, great flow of qualified students." While another recruiter from Corporate Screening Service said, "This was the best group of candidates to date." Thank you for helping The Center for Career Management make the Career Fair a success! Remember, let the Center for Career Management help you to *Stay Connected* to all of your career goals.

Employers Coming to Campus

Wondering how to fit a full-time career or internship search into your schedule? The Center for Career Management wants to help make your search less stressful by bringing employers to you. Every semester, dozens of employers come to campus to interview students. You may have heard of On-Campus Recruiting, and that's exactly what this is. Interviews are held in The Center for Career Management, Simmons Hall 301 in our specially designed interview suites. In order to be considered for an interview spot you must have your ZIProfessional account complete and resume uploaded in our online career database. It is also important to apply your resume to each position you are interested in, no later than the deadline date for each position.

Employers are coming to campus to interview for positions ranging from software engineers, auditors, sales account executives and summer interns. Companies who will be on campus this semester include JM Smucker, Total Quality Logistics, Peace Corps, and Farmers Insurance, just to name a few. For a complete list of employers and application dates visit: <http://www.uakron.edu/ccm> to access your ZIPro Account. You could be the perfect fit for one of these great companies, so don't miss your chance to Interview with them!
