Students Get Help at The CCM

As the semester comes to a close, you may be wondering how to land that perfect job or internship for next semester. It's never too late to come to The CCM for career related assistance. We're here to help you stay connected!

Jennifer Reish, a Marketing Management major who completed an internship during the spring semester, says, "The CCM was a great help in the whole process. They helped me find the internship. They helped me refine my resume. And they also made sure I had the knowledge of good interviewing skills."

No matter your major or where you are in the career search process, The Center for Career Management can assist you with your career related needs. Don't forget that we are open over the Summer to help you stay connected.

Employers Coming to Campus

Is the Center for Career Management part of your comprehensive job search strategy? If not, you're missing out on hundreds of employers who recruit on campus throughout each academic year! The Center hosts employers from various areas such as government, non-profit, public, and private sectors for full-time, internship, and cooperative education opportunities. Recruiters are on campus conducting professional interviews for available opportunities within their organization.

In order to be considered for an interview spot, you must be registered with the Center and have a completed profile in ZIPProfessional, our web-based career database. If you feel as though you need to brush up on your interview skills, the Center also offers mock interviews, an opportunity for you to "practice" interviews and receive valuable feedback.

Don't forget to stay connected! Contact us today to schedule an appointment with a professional staff member and learn more about these and other excellent opportunities to enhance your overall job search.

Need someone to take a quick look at your Resume? Do you have career related questions that need answered?

The Center has summer walk-in hours from 12-2pm Monday-Friday.

Don't Forget!

The Center for Career Management will be open all summer. Whether you've just graduated, are graduating in the fall or just want a jump start on all you career related needs, The Center is here for you!

The Center will be open from 8 a.m. to 4:30 p.m. Monday through Friday starting the week of finals

Stay Connected!

Cintas has played an active role in The Center for Career Management by furthering our ability to reach and serve the student population through generous grants.

Cintas is headquartered in Cincinnati, Ohio and holds the famous title, "The Uniform People." Since their founding in 1929, Cintas has expanded into so much more than just uniforms, serving businesses throughout the US and Canada in a variety of ways. Thank you to Cintas, a valued CCM employer!

Career Resource Library

Need a quiet place on campus to search for jobs, learn to network and prepare for your job search? Look no further than the Career Resource Library.

The library has 7 computers, free guides and packets on valuable career information relating to resume and cover letter writing, interviewing skills, job search strategies, career fairs, salary negotiations, and company research.

Job vacancy employment binders are also available in the resource library that include job opportunities for full-time, coop, internship, part-time and summer employment.

Stop in and use this valuable resource and make the most of the job search.

The Resource Library is available anytime the Center for Career Management is open and no appointment is needed.
