# Introduction to Voiceovers

***Have you ever wondered whose voice you are listening to on TV and Radio Commercials? How about documentaries or audiobooks?***

Those voices belong to Professional Voiceover Artists - and now you can learn the basics of entering a successful career as a voiceover artist. In this fun and interactive class, you will learn details of the industry, the importance of marketing, and the importance of your demo tape. This workshop will also be beneficial if you are currently involved in developing online training with voice or webcam. Your instructor will coach you while you make a recording of your voice for a personal evaluation. Be warned - many who have taken this class have gone on to become real, bona-fide, professional Voice Actors! No discounts apply. *Enroll today!*
