"Course and Laura were extremely effective in helping me to prepare for the LSAT. Each time leaving class I learned something else new that I had applied in other practice sections. Laura was very friendly, kept in contact with us outside of class, and was extremely helpful during class regarding my questions about why certain answer choices were incorrect. She helped me a lot in working out the logical games questions." S.J.

"She was very knowledgeable about how to find the correct answers and had many different strategies on how to get them. The course definitely helped me prepare for the LSAT. Lots of practice" K.S.
