

Reflections on 40 Years of Drug Abuse Research

The Reflections on 40 Years of Drug Abuse Research is an unusual conference that will focus on the reflections of senior researchers from the drug abuse field, outlining the zeniths and the nadirs, and discussing the current status and future of their specialty areas. Selected Next Generation Researchers will react to these presentations.

The dates, venue and program is presented below.

Sheraton Beach Resort
Mile Marker 97
Key Largo, Florida
