

Departmental Freshman Scholarship Application

The Department of Theoretical and Applied Mathematics has scholarships that may be awarded to incoming University of Akron freshman majoring in mathematics. These competitive scholarships are awarded on the basis of academic performance. If you want to be considered for such an award, please complete this form and send it to the address below. Applicants must have a mathematics teacher who is familiar their your performance send a letter of recommendation to the same address. This form and the separate letter should be received by the beginning of March. We expect that awards will be determined by the beginning of April of each year. Awards are presented at the Department's annual Pi Mu Epsilon banquet, which is usually held in mid to late April.
