

Freshman Scholarship Application
Department of Theoretical and Applied Mathematics

The Department of Theoretical and Applied Mathematics has scholarships that may be awarded to incoming University of Akron freshmen majoring in mathematics or applied mathematics. The competitive scholarships are awarded on the basis of academic performance. If you wish to be considered for an award, please complete this form and submit it to the address below. You must have a letter of recommendation from a mathematics teacher familiar with your performance; ask your teacher to mail the form directly to the same address below. This form and the recommendation letter should be received by the beginning of March. Awards are determined by the beginning of April, and are awarded at the department's annual Pi Mu Epsilon banquet, usually held in mid to late April.
