

# Choose Ohio First Scholarship Program

A Science, Technology, Engineering, Mathematics Initiative

Funded by:  
The Ohio Board of Regents

Administered by:  
Dept. of Theoretical & Applied Mathematics and  
College of Education

The University of Akron's Choose Ohio First Scholarship – Student Success in Mathematics program will provide undergraduate scholarships to incoming freshmen who intend to pursue a degree in a science, technology, engineering or mathematics (STEM) field, including STEM education/teacher preparation programs. Scholarships will range in amount from \$1,500 to \$4,700 per academic year, and are renewable for the 2011-2012 academic year.

To be eligible students must be U.S. citizens, Ohio residents, and incoming freshmen for the 2010-2011 academic year and planning to pursue a Bachelor's degree in a STEM field. Students awarded will participate in academic & social meetings, mentoring, and professional & personal development opportunities. Please see our webpage for more information and an application.
