

100-Hour Fire Fighter I Transition Course

Class Description:

Applicants must hold Fire Fighter 36-Hour (Volunteer) Certification to enroll in this course. Following successful completion of this course, you will have the performance objectives found in the current NFPA 1001 Standard for Firefighter I as well as ORC Section 4765-11-11 requirements. This course also provides 16-Hours of Driver Training mandated by the state. Driver training is provided by DriveTeam Inc.

The textbook recommended for this course is the International Association of Fire Chiefs: Fundamentals of Fire Fighters Skills & Study Guide. Firefighting turnout gear and SCBA are required for this course and can be rented from the University at an additional fee if necessary.

This course is designed to be delivered on-site at your fire department to upgrade your fire fighters or employees to Fire Fighter I status.

Please contact Training Center Personnel for pricing and to schedule this course for your fire department or company, (330) 972-6652.
