

S-STEM Scholarship* Application Information

- For Engineering and Science Technology majors –

*This scholarship is supported by a grant from the National Science Foundation

The S-STEM scholarship is available to any full-time student interested in pursuing a degree in an Engineering Technology field. Eligible students must have a minimum grade point average (GPA) of 2.0. High school students should have earned a minimum of 19 on the ACT OR 910 on the SAT.

The amount awarded will depend on the financial need of the student as determined by the FAFSA. The range of scholarships will be \$500 to \$5000 per academic year with an average of \$2500. Scholarships are renewable until the 2011 – 2012 academic year. The student must meet the minimum GPA requirements and financial need status. The student must be a full-time student as defined by The University of Akron.

The deadline for applying is April 30 each year. An early deadline of March 15 is also available for those students who would like a response sooner.
