

S-STEM Scholarship Application

- For Engineering and Science Technology majors –

*Scholarship awards will range from **\$500 to \$5000 and are renewable each year.***

General Instructions:

1. Complete this application.
2. Complete FAFSA* after January 1, 2010
3. Complete essay (by student).
4. If you will be graduating from high school in 2010: Submit official high school transcript:
 - Mail in sealed envelope with application, **OR**
 - Have high school mail directly to address below.
 - Send ACT or SAT verification to address below.
5. If you are a returning college student:
 - a. Submit a transcript from the Office of the Registrar
6. Submission Dates:
 - Early deadline for all materials: **March 15, 2010.**
 - Standard deadline for all materials: **April 30, 2010.**

Mail all documentation, including ACT or SAT verification to:

The University of Akron – Summit College
 Dept. of Engineering and Science Technology
 Schrank Hall South 123
 Akron, OH 44325-6104
 Attn: Lori Kraft

To be eligible for this scholarship you must meet the following criteria (HS students):
 College students already in the program must meet the GPA criteria only.

Scholarship Requirements	Criteria
Grade point average	2.0 minimum
ACT composite score **	19 minimum
SAT composite score **	980 minimum

Financial need: The amount provided by this scholarship will depend on the need of the student according to the FAFSA. The range will be \$500 to \$5,000 each academic year. Each scholarship is renewable, while enrolled in an Engineering & Science Technology program, until academic year 2011-2012.

You must meet the criteria for grade point average, either the ACT or SAT test score (HS students only), and financial need. Your financial need will be determined by using the FAFSA. You must complete the FAFSA, send the application in online, and have the results sent to The University of Akron. The University of Akron will determine the final amount based on your financial need. See more detailed information below.

* FAFSA = Free Application for Federal Student Aid

** Only one test score, ACT **or** SAT, is required to apply for the scholarship

Telephone:		Home	Cell/Other
E-mail:			
High School Students- GPA:		Composite ACT or SAT Score:*	
College Students- GPA:		# Credits Earned:	
		Name of High School:	
		Student ID #	

* Please send one or both test score(s) directly to The University of Akron address listed on the first page. Your H.S. counselor can also provide verification.

Please indicate the area(s) of Engineering Technology that interest you.

- Mechanical Engineering Technology
- Electronic Engineering Technology
- Automated Manufacturing and Manufacturing Technology
- Drafting and Computer Drafting Technology
- Surveying and Mapping Engineering Technology
- Geographic and Land Information Systems Technology
- Construction Engineering Technology
- Other: _____

If you are unfamiliar with any of these areas of engineering technology, please visit the website: <http://sc.uakron.edu/?/engscitech/index.html> for more information. Each discipline is listed at the bottom of the home page. Click on the link for a program guide.

Please indicate your degree type of interest.

- Certificate
- Associate
- Bachelauriate
- Graduate studies
- Undecided
