

**THE UNIVERSITY OF AKRON
AKRON OHIO
SUMMIT COLLEGE**

AGING SERVICES CERTIFICATE

This program is intended for the individuals who wish to enhance their knowledge of the aging process, study issues pertinent to the elderly, and develop skills useful in working with senior citizens. This program is not limited to community services majors.

This certificate is generally designed for individuals in one of the following categories:

- The person with no degree but who is contemplating working with senior citizens.
- The person with a degree who has not had specialized training with senior citizens.
- The person employed in this field who would like to upgrade his/her knowledge and skills.
- Persons interested in enhancing the quality of their post-retirement years or those of family and friends.

Persons interested in this program should consult with the Public Service Technology department. This certificate may be earned independent of earning a degree.
