**3460:595 EXPERIENTIAL LEARNING IN COMPUTER SCIENCE**

In signing this form:

- The student agrees to
  - Satisfactorily meet all requirements of the employer, the department and The University of Akron, including duties assigned by the employer and course assignments as outlined by the course syllabus.
  - Submit to the faculty advisor a report summarizing activities performed, Computer Science knowledge, and experience gained during the internship at the conclusion of the experience.
- The employer supervisor agrees to
  - Assist the student in the completion of all academically-relevant and meaningful experience, including providing adequate supervision.
  - Submit to the student and computer science faculty advisor two written evaluations (midterm and final) of the student's performance.
  - Discuss with the faculty advisor and computer science department chair any termination or performance situations that may arise.
- The faculty advisor agrees to
  - Supervise the student during the course of the internship.
  - Collect student's report and supervisor's evaluations.
  - Submit a grade (Credit / No Credit).
