3250:6xx Approved Elective 3.0______
3250:5xx or 6xx Approved Elective 3.0______

NOTES:
1. The courses 3250:100 and 3250:600 do not meet degree requirements.
2. The student must also earn at least a C in 3450:145 College Algebra.
3. The student is required to take 40 hours of 300/400 level courses not including general education courses and workshops.
4. This program of study and the general education evaluation are effective for 5 years from date of signature. If there is a change in a major or a transfer to another college, a new program of study must be drawn up. A minimum of 120 earned, approved semester credit hours are needed for graduation.
5. The courses marked with * are to be applied to the requirements of the bachelor’s and master’s degree.
