Ohio Citizen Action	Cleveland, Ohio	Green Summer Positions and Internships Available	<p>DESCRIPTION</p> <p>Ohio Citizen Action brings relevant local issues to the people year after year. We have won hundreds of millions of dollars in pollution control upgrades at facilities across the state, we helped win more strict regulation of mountaintop removal coal mining, and stopped a new coal plant from being built on the Ohio River.</p> <p>Ohio relies heavily on coal for power- much of which comes from outdated, dirty, inefficient coal plants. We are taking on the nation's largest utilities urging them to make the shift to generating cleaner and cheaper electricity. This shift won't happen spontaneously and won't come from the board room of First Energy. We can be the spark that ignites the fire under our utilities to make the shift! Working at Ohio Citizen Action will give you the opportunity to empower residents and ratepayers to challenge the status-quo to bring about the change to Ohio that is long overdue. Now is the time to generate electricity without sacrificing the health and well-being of Ohioans.</p> <p>The benefits of working for Ohio's largest environmental group are:</p> <ul style="list-style-type: none"> • Pay is \$375-\$475 per week for full time, hours are Mon.-Fri. 2pm-10pm • Full time includes 2 weeks paid vacation per year and comprehensive benefits • Pay is \$75 per day for part-time, hours are 2pm-10pm at least 3 days/week • All majors or areas of study welcome to apply, we emphasize good communication skills and passion for environmental issues <p>Please call Sarah at (216) 623-3956 for more information and to set up an interview or email resume to sbatke@ohiocitizen.org.</p> <p>For detailed description of what a typical day looks like: www.activistjobs.org For more information on campaigns visit: www.ohiocitizen.org</p> <p>Posted 7/6/11</p>

The Rice Company	Akron, Ohio	Microsoft Campus Rep	<p>Description The Rice Company is an engagement marketing firm in Hingham, MA. We are currently recruiting college students at campuses across the US for our client, Microsoft.</p> <p>What is a Microsoft Windows Campus Representative? A fun and interactive opportunity to build your resume while earning money right on your own campus! Put your marketing and entrepreneurial skills to work planning a variety of events where you demonstrate Microsoft products to your peers, then give them the chance to try the products for themselves. You will collect surveys from all students that try the software, and report that data back to The Rice Company.</p> <p>Expectations: Microsoft Windows Campus Reps will be expected to work approximately 11 hours each week for 40 weeks during the academic year and some summer weeks. This is a real job and you will be expected to perform all requirements as with any part time job. Each week we expect that about 8 hours will be spent performing hands on trials, and the remaining 3 will be spent interacting with other program members on our website and reporting data to us. This is a paid internship with a weekly stipend, many bonus opportunities and students who meet the program goals get to keep the premium, fully loaded PC we'll send you after being accepted into our program.</p> <p>Responsibilities: Each week the Student Rep will be required to conduct 40 hands on trials of Windows 7 and other Microsoft products to other students on campus using the fully loaded computer we will provide you completely free! We will also train you via web seminar and provide you with a Windows Marketing Kit that contains everything you will need to conduct trials on your campus. You will use their social networks to engage others on Windows features and let your friends know how they can take a trial with you! Students will report to The Rice Company several times weekly.</p> <p>Requirements: Must be a full time, undergraduate student living on or near campus (NOT studying abroad) for the upcoming 2011 – 2012 academic year to participate in the program. You must be computer savvy though this is primarily a marketing internship; you can be majoring in any course of study. The successful candidate will have demonstrated leadership skills, an entrepreneurial spirit, and the ability to interact with his/her peers on campus and through social networks.</p> <p>Posted 7/6/11</p>
