

This step-by-step guide will demonstrate how to add a **Discussion to Content** within a Desire2Learn (D2L) classroom.

Content: Link a Discussion

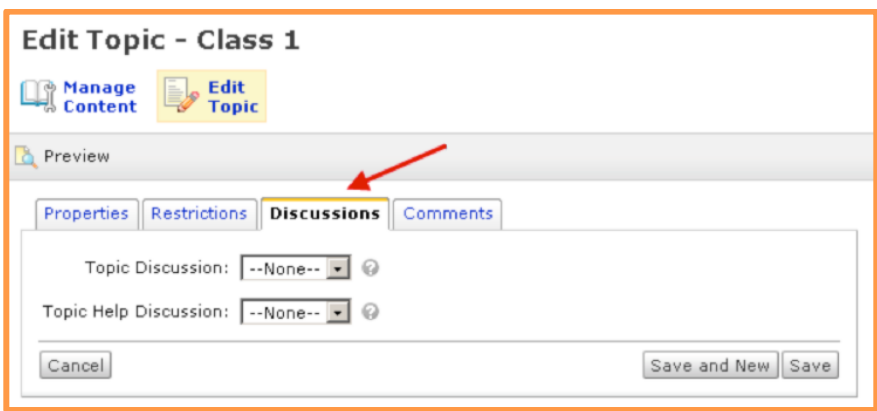

1. Select **Content** from the Navigation Bar.

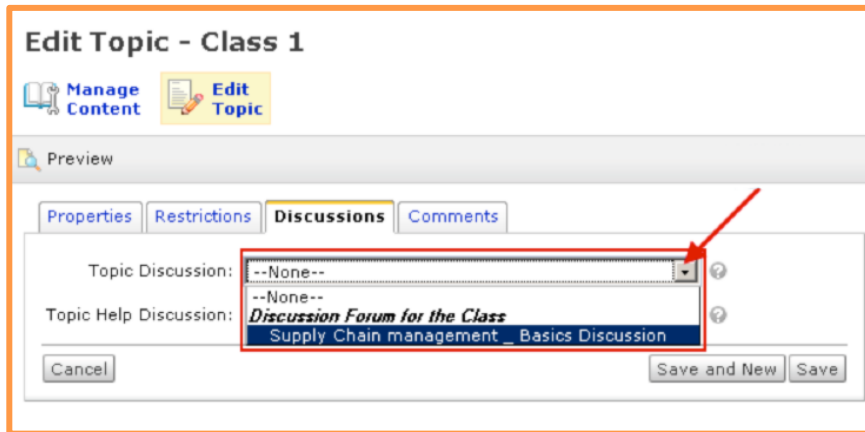

2. Select the edit icon () of the desired Topic to which you want to link a discussion.

3. Select the **Discussion Tab**.

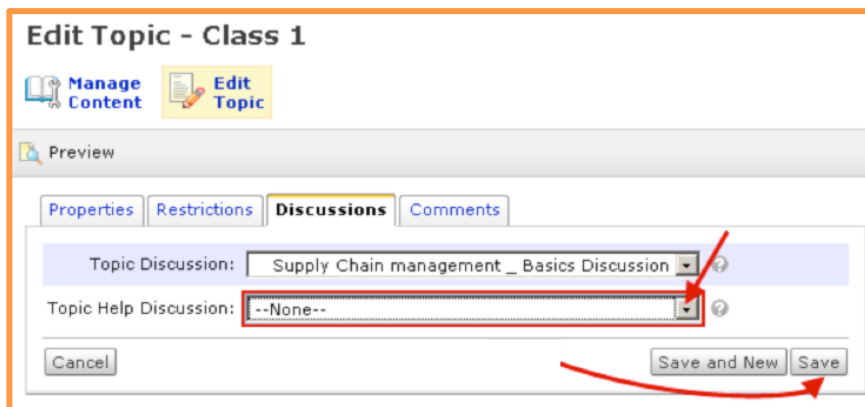

4. Link a Discussion Topic by using one of the following two options:
 - a. Select the topic from the **Topic Discussion** dropdown menu.

The screenshot shows the 'Edit Topic - Class 1' interface. At the top, there are two buttons: 'Manage Content' and 'Edit Topic'. Below them is a 'Preview' section with tabs for 'Properties', 'Restrictions', 'Discussions', and 'Comments'. The 'Discussions' tab is selected. In the 'Topic Discussion' field, a dropdown menu is open, showing options: '--None--', '--None--', 'Discussion Forum for the Class', and 'Supply Chain management _ Basics Discussion'. A red arrow points to the 'Supply Chain management _ Basics Discussion' option. At the bottom, there are 'Cancel', 'Save and New', and 'Save' buttons.

- b. Select the topic from the **Topic Help Discussion** dropdown menu.

The screenshot shows the 'Edit Topic - Class 1' interface. At the top, there are two buttons: 'Manage Content' and 'Edit Topic'. Below them is a 'Preview' section with tabs for 'Properties', 'Restrictions', 'Discussions', and 'Comments'. The 'Discussions' tab is selected. In the 'Topic Discussion' field, the dropdown menu is closed and shows 'Supply Chain management _ Basics Discussion'. In the 'Topic Help Discussion' field, a dropdown menu is open, showing the option '--None--'. A red arrow points to the '--None--' option. At the bottom, there are 'Cancel', 'Save and New', and 'Save' buttons.

5. Select **Save**.
