

Learn to create LEGO® Education robotic models featuring working motors and sensors during this hands-on educator workshop!

**Tuesday, November 1, 2011**

4:00 p.m. – 7:00 p.m.

Medina County University Center  
(6300 Technology Lane, Medina, OH)

\$35 per person (dinner included)

Earn SB-CEU credits! Payment confirms registration. Limited seating.

For elementary educators, Grades 2-5. Please arrive 15 minutes early.

Registration Deadline: Thursday, October 27, 2011

During this workshop, participants will build and program LEGO Education robotic models to experience cross-curricular, theme-based activities using the LEGO Education WeDo™ Robotics system.

Participants will discover how using the WeDo Robotics system helps students develop skills in science, technology, engineering, and mathematics as well as language and literacy.
