DO YOU NEED HELP PAYING FOR YOUR EYE EXAM?

THE OHIO AFFILIATE OF PREVENT BLINDNESS MAY BE ABLE TO HELP YOU WITH EYEGASSES AT NO COST TO YOU.

The Ohio Affiliate of Prevent Blindness, founded in 1957, is Ohio’s leading volunteer nonprofit public health organization dedicated to preventing blindness and preserving sight. We serve all 88 Ohio counties, providing access to vision care services to nearly 10,000 eligible Ohioans annually and educating millions of consumers about what they can do to protect and preserve their precious gift of sight.

The Prevent Blindness Vision Care Outreach programs provide access to comprehensive donated eye care (eye exam, glasses and resources for aftercare) for underserved adults.

To learn if you qualify for Prevent Blindness vision care services, [fill in your contact information here] for details about the program and qualification guidelines.

* Chart shown, not for use to test vision only a graphical representation. An optometrist or ophthalmologist should be seen annually for a comprehensive eye exam.

When it comes to eyes “we get one pair and no spare.”
