

HOP-ON STUDENT VENTURE FUND

MISSION

Hop-On Student Venture Fund (HOSVF) is a student run Not for Profit Evergreen Fund that provides pre seed validation to high potential start-ups that benefit the Northeastern Ohio region. Our goal is to provide synergistic links between the university, business communities and entrepreneurs for the purpose of education and economic development in the region.

MANTRA

Funding Innovative Entrepreneurs

SERVICES PROVIDED

1. Provide funding for local entrepreneurs
2. Educate students on the entrepreneurial process
3. Provide an opportunity for organizations, foundations and individuals to participate in the educational process

WHAT ARE WE DOING?

HOSVF had a successful round of Due Diligence in Spring 2009. To continue validation of the model, HOSVF is assembling a student team for 2009-2010 and raising \$100,000 to invest in Northeastern Ohio entrepreneurial ventures. Hop-on an exciting opportunity!
