Viewing Panopto Focus Recordings

Please note: You will need to have Microsoft Silverlight installed:
  Macintosh Version: http://go.microsoft.com/fwlink/?LinkID=107367
  Windows Version: http://go.microsoft.com/fwlink/?LinkID=156091

Note for Apple Computers: Only Intel based Macintosh Computers (MacBook, MacBook Pro, iMac, Mac Pro and Mac Mini are compatible with the most recent version of SilverLight, necessary for viewing CourseCast recordings)

1. Open a web browser window to: coursecast.uakron.edu
2. Select “uanet” from the pull-down menu.
3. Log in with your UAnet ID and password.
4. You will see a list of the folders available to you on the left side of the page. (You may have to click the triangle to the left of “Folders Shared With Me” to expand the contents.)
5. Click the folder for the course containing the recordings you wish to view.
6. The list of recordings for the selected course will display in the middle of the page.
7. Click on the recording you wish to view.
