

Making YOU a PRIORITY in Priority Registration

The priority registration breakdown has been enhanced to make YOU a priority in priority registration.

Starting with the Summer 2012 registration period, which begins on Monday, February 27, the priority registration groups will be smaller and more frequent, making registration a smoother process. Priority registration groups will now be assigned every work day beginning at either **5:00 pm, 7:00 pm or 9:00 pm** based on your level and completed credit hours.

View your assigned enrollment date in your Student Center in ZipLine to see your priority registration assignment.
