Panopto Focus - iPhone

You can create video recordings using your iPhone or iPad with Panopto’s iPhone app.

Log into Springboard and enter your course

1. Install the Panopto app from Apple's App Store

2. Launch the Panopto app

3. Select the **Settings** tab

4. Enter **coursecast.uakron.edu** as the server address

5. Select the Log in button

6. Select the option for Panopto Login

7. Enter your UAnet ID and UAnet password
   - **Note:** You must have uanet\ in front of your ID

8. Select **Log in**
