Panopto Focus - Recording with Springboard Integration

You can log into the Panopto Recorder from Springboard to create new recordings. Credentials are passed from Springboard into Panopto to make this an automatic process.

Log into Springboard and enter your course

1. Open a web browser window to:  
   https://springboard.uakron.edu
2. Log in with your UAnet ID and password.
3. Enter your course.
4. Select the link to the Panopto integration that you created previously.
5. Panopto will launch within the Springboard frame.
6. Select the “Create” menu.
7. Select “Record a new session.”
8. A window will open prompting you to install the recorder or to launch the recorder. If the recorder has been installed, select “Launch Recorder.”
9. A window may open prompting you to choose an application. Select “OK.”
10. The recorder will launch.
