   C. Political Action / Affiliates. Hank Nettling reported on the STRS Board meeting of August 16, 2012. It has been recommended that the State Teachers Retirement Board receive authority to make additional retirement benefit reductions, if necessary, to meet funding objectives. There is also the recommendation that STRS should keep defined benefits.

   B. Dignity Program. Bob Gandee distributed a flier provided by Catavolos Funeral Home / Rose Hill Burial Park. Their representative, David Shriber, was interested in addressing our group. It was moved and seconded to have Mr. Shriber speak to us. The motion failed.

   C. Our final speaker and guest was Dr. John Hirschbuhl, Professor Emeritus, Education. He addressed us on the subject of computer teaching and testing, particularly as it is growing in use on our campus. His view is that such a procedure could be a tool for teaching, but should not be the teaching itself. Its use is growing on our campus. Our main concern is that our own faculty, not an outside company, should be in complete control of academic content.

Adjournment was at 11:30 a.m.

Hans Zbinden, recording secretary.

Next Executive Board Meeting is Thursday, September 27, 2012.
