DESIGNED FOR THE REAL WORLD SECURITY JOB MARKET:

We live in a World, where security issues often dominate the national policy agenda. In response to the growing need for national security professionals, the Department of Political Science at the University of Akron offers the Master of Arts Degree in Political Science-Security Studies Track. This course of study is intended to prepare professionals in the world of national security occupations. Potential employers include:

- Central Intelligence Agency (CIA)
- National Security Agency (NSA)
- Defense Intelligence Agency (DIA)
- Defense Department
- Military Branches of Service
- State Department
- Department of Homeland Security (DHS)

Analyst  
Defense Department

“The University of Akron’s Political Science Graduate School provided me the tools and knowledge to be marketable in an ever-increasingly competitive job market. The instructors and staff take a personal interest in each student’s success and share insights and experiences that apply to real world scenarios. My experience in the Political Science Department of Political Science | University of Akron, Olin Hall 223 | phone 330.972.7406 | fax 330.972.8841

**Tim Gembicki**  
Foreign Affairs Research Analyst  
Bureau of Intelligence & Research, U.S. Department of State, Washington D.C.

“My courses in International Relations and Research Methods, and my work at the University of Akron’s Institute for Health & Social Policy/Center for Policy Studies helped me secure an internship at the U.S. Department of State in 2005. Since graduating, I’ve had the privilege of serving my country as a civil service officer at State, travelling across the Middle East and South Asia.

**Micah Loudermilk**  
Senior Research Associate/Program Manager  
Energy & Environmental Security Policy Program  
National Defense University

“With its small seminars and highly-accessible professors, the Department of Political Science’s MA program creates a deep and intimate learning environment that develops students into critical and strategic thinkers. The rigorous emphasis on theory, research methodology, and academic writing provided me with a comprehensive and in-depth education...
