New Academic Year
- We had 19,000 more applicants than last year
- Freshmen enrollment increased about 2 percent
- Full-time incoming freshmen to main campus increased 9.4 percent with slightly higher GPAs and ACT scores
- There are 600 new honor students compared to 350 last year
- Diversity of the student body increased
- Our newly created underrepresented scholarships were awarded to about 274 students

New Roo Weekend
- The Division of Student Success did a great job organizing this event and it was really successful
- Thank you to the faculty and staff that participated in this doctrination of new student to the University of Akron
- Please provide your feedback so we can make next year even better

Orientation for Faculty and Teaching Assistants
- About 200 individuals participated
- There were sessions related to handling student conduct issues, using library instructional materials and documenting student learning where each attendee received a copy of their own program’s assessment plan
- Individuals had the opportunity to interact with about 40 campus offices to learn about the support available to help them be successful

Council of Deans Update
- We will continue to send Council of Deans Debriefs to all faculty after each meeting
- We have taken a new approach to the meetings that includes a presentation by President Scarborough called the Academic Leadership Team
- The Academic Leadership Team presentation will be posted to the OAA website with the Council of Deans Debriefs
