

## **Free Antivirus Software Available from Computer Solutions**

Beginning July 1, students, faculty, and staff of The University of Akron can pick up a free copy of McAfee antivirus software from Computer Solutions simply by showing their University, one copy per person.

Students must be registered for the current semester.

For more information, contact Computer Solutions at 330-972-5308, [compstore@uakron.edu](mailto:compstore@uakron.edu).
