

## Vista Testing Departmental Lab Apps

Software	Department	Issue Assignee	Date	Description	Resolution	Target Certification Date	Operates Property	Certified
3-D Topoquads	Summit College	Max Fightmaster	9/25/2007	Software will work with Vista but requires extra step to install software	Refer to company website.	NONE	YES	NO
ACD 1D & 2D NMR Processing Software for Window 8.1	Chemistry CBA	Joseph Massey Matt Dowd	7/11/2007 9/25/2007	Vender website says software is certified for Vista	Install latest version	NONE	YES	NO YES
Activestate Perl Compiler	Computer Science - Math	Jason Bowling	5/25/2007	The best version of ActivePerl to use on Windows Vista is ActivePerl 5.8.8.820. ActivePerl 5.8.8.819 and later versions pass the same suite of tests on Windows Vista as they do on Windows XP and other supported versions of Windows. ActivePerl's known issues on Windows Vista include: PerlIS and PerlEx are installed but not automatically configured due to differences in the script extension mapping process for IIS and the OLE browser will not function with Internet Explorer 7	NONE	NONE	YES	NO
Activestate TCL Compiler	Computer Science - Math	Jason Bowling	5/25/2007	Activestate recommends using ActiveTcl 8.4.14 with Vista. There are currently minor issues with installing and uninstalling, but these are not serious and are being worked on.	Note that you will need to right-click the installation file and select "Run as Administrator" for the installation to be successful.	NONE	YES	NO
Adobe Freehand MX	Geology	Tom Quick	7/11/2007	All Macromedia Products are dead. They will not be supported with Vista by Adobe.	Adobe has documentation on migrating Freehand Data to Illustrator.	NONE	YES	NO
Alice (Java IDE)	Computer Science - Math	Jason Bowling	5/25/2007	Java IDE Alice 2.0 will run on Vista per Alice Forums		NONE	YES	NO
Altova Enterprise XML Suite 2006	CBA	Matt Dowd	9/25/2007	Vendor website says latest version of Suite will work with Vista.	Upgrade to latest version	NONE	YES	YES
ANSYS	Engineering	Bob Shardy	5/25/2007	Version 11.0 is not compatible with Vista			NO	NO
ANSYS/CFX	Engineering	Bob Shardy	5/25/2007	Version 11.0 is not compatible with Vista			NO	NO
Arcpac 6.0 ATAC NG(Crime Analysis Software)	Geology Summit College	Tom Quick Wayne Brummert	7/11/2007 7/23/2007	Bairsoftware does not show it as a supported OS		NONE	NO	NO
Atmel ARV Toolkit Beilstein CrossFire	Computer Science - Math Chemistry	Jason Bowling Joseph Massey	5/25/2007 7/11/2007	Current version will work with Vista but it is not certified			YES	NO
BioEdit	Computer Science - Math	Jason Bowling	5/25/2007	Current version will work with Vista but it is not certified			YES	NO
Cabri	Computer Science - Math	Jason Bowling	5/25/2007	Version 1.4 is certified for Vista			YES	YES

## Vista Testing Departmental Lab Apps

Software	Department	Issue Assignee	Date	Description	Resolution	Target Certification Date	Operates Property	Certified
Cabri 3D Carlson Civil 2007	Computer Science - Math Summit College	Jason Bowling	5/25/2007	V2 2.1.1 is certified for Vista			YES	YES
		Max Fightmaster	9/25/2007	Vendor website says latest version will work with Vista	Upgrade	NONE	YES	YES
CFDRC	Engineering	Bob Shardy	5/25/2007					
ChemCAD	Engineering	Bob Shardy	5/25/2007					
Coffee Cup Free Zip	CBA	Matt Dowd	9/25/2007	Vendor website says latest version of Suite will work with Vista.	Upgrade to current version	NONE	YES	YES
Corpscon CPA Test Prep	CBA	Matt Dowd	9/25/2007	Vendor website says software is certified for Vista	Install latest version	NONE	YES	YES
CPS 4.0 by e Instruction	Geology	Tom Quick	7/11/2007	Vendor site certifies software for use with Vista	NONE	NONE	YES	YES
CYGIN	Engineering	Bob Shardy	5/25/2007	Will run on Vista but there are many installation problems.	Wait for next release	NONE	YES	NO
CYGIN-Xfree86	Engineering	Bob Shardy	5/25/2007	Will run on vista but there are many installation problems.	Wait for next release	NONE	YES	NO
Delphi 2007 for Win32 Professional Edition	Summit College	Wayne Brummert	7/23/2007	The latest version of Delphi 2007 will run Vista, please refer to <a href="http://support.codegear.com/article/36211">http://support.codegear.com/article/36211</a> for instructions on installing the software		NONE	YES	YES
Deltagraph 5 Digital Works	Geology	Tom Quick	7/11/2007	Version 5.6.3 works with MS Vista.		NONE	YES	NO
	Computer Science - Math	Jason Bowling	5/25/2007	Will run on Vista but it is not certified		NONE	YES	NO
DNR Garmin	Summit College	Max Fightmaster	9/25/2007	Vendor site does not list it as a supported operating system		NONE	NO	NO
DSTPlan	Statistics	Anjanette O`Rourke	7/11/2007	Site says it will install but it is not certified		NONE	YES	NO
DyKnow 5.0	Economics	Jay Mutter	6/13/2007	Products website states it is compatible with Microsoft Vista.		NONE	YES	YES
End Note 7.0	Geology	Tom Quick	7/11/2007	Software is compatible with Vista with work around. Instruction can be found at <a href="http://www.endnote.com/support/faqs/CWYW/faq1.asp">http://www.endnote.com/support/faqs/CWYW/faq1.asp</a>	Installs fine, but requires manual install of tools for use with MS Word.	NONE	YES	NO
EpiNfo	Statistics	Anjanette O`Rourke	7/11/2007	Vendor page does not list Vista as a compatible OS	No Documentation on Vista Support	NONE	NO	NO
Ethereal	Summit College	Wayne Brummert	7/23/2007	Current release is known to work with Vista but it is not certified yet.		NONE	YES	NO
Eview 5	CBA	Matt Dowd	9/25/2007	Vendor website says latest version of software will work with Vista	Upgrade to Eview version 6	NONE	YES	YES
Fluent	Engineering	Bob Shardy	5/25/2007	Current release does not support Vista		NONE	NO	NO
GIMP for Windows	Computer Science - Math	Jason Bowling	5/25/2007	GIMP will install on Vista but it is not certified to work	NONE at this time	NONE	YES	NO
Grapher 6.0 (Golden Software)	Geology	Tom Quick	7/11/2007	Grapher 7.0 is the version of Grapher that is certified for Vista	Upgrade to version 7.0	NONE	YES	YES

## Vista Testing Departmental Lab Apps

Software	Department	Issue Assignee	Date	Description	Resolution	Target Certification Date	Operates Property	Certified
HKS Abaqus	Engineering	Bob Shardy	5/25/2007	Abaqus has been certified to work with Vista	NONE	NONE	YES	YES
Interactive Medical Terminology 2.0	Summit College	Wayne Brummert	7/23/2007	Contacted company and they reported that no problems have been reported and it should installed correctly		NONE	YES	YES
Izarc compression Utility	Computer Science - Math	Jason Bowling	5/25/2007	version 3.81 Build 1550 is certified to work with Vista	Upgrade to current version	NONE	YES	YES
Java Development Kit	Computer Science - Math	Jason Bowling	5/25/2007	Current version is certified to work with Vista		NONE	YES	YES
JGrasp	Computer Science - Math	Jason Bowling	5/25/2007	Current version is certified to work with Vista	Upgrade to current version	NONE	YES	YES
Keyboarding Pro v4	Summit College	Wayne Brummert	9/25/2007	Version 4 is compatible with Vista	NONE	NONE	YES	YES
LEAP SE 4.0	CBA	Matt Dowd	9/25/2007	Vendor website says latest version of Suite will work with Vista.	Upgrade to current version	NONE	YES	YES
