

Grades

Participant Learning Aid

Use the Grades tool to check your grades on assignments and tests. You can see your individual grades and comments, as well as class averages and feedback. You can also view your final grade and the grade formula used to evaluate you if your instructor chooses to release them.

The Grades page

To access the Grades tool, click the **Grades** link on the course navigation bar.

The screenshot shows the 'Grades' page interface. A table lists various grade items with columns for 'Grade Item', 'Weight Achieved', 'Grade', and 'Comments and Activities'. Callouts point to specific elements: 'Print' button, 'Adjusted Final Grade' section with a formula icon, 'Your grades' column, 'Your comments' section, 'View Activities' links, and 'Class Performance' section.
