**\*\*In order to enhance prospects for academic success, some first year students will take a special academic skills course, Criminal Law Lab (CLL), in the spring semester instead of Legal Research and Writing II. Students with a GPA of 2.30 and lower at the end of the first semester will be required to take CLL. And many other students with GPA's above 2.30 choose to take the course in order to enhance academic skills. Absent extenuating circumstances, all CLL students with 2.30 and lower GPA end fall semester of first year will be required to take Legal, Research, and Writing II during the summer after the first year.**

\*May be taken at any time, but must be completed before graduation.

Required courses are in ALL CAPITAL letters.

All students must enroll in required paper course "General Writing Requirement" 9200:610 (0 credits) any time after the first year and before the last semester of enrollment.

All students must enroll in all required courses pursuant to the program of the School of Law (i.e., required courses must be taken in the order listed above). Except under rare and compelling circumstances, no student may drop a required course at any time.
