

Class of 2013 Summary Report

This Class of 2013 Summary Report is prepared by the National Association for Legal Career Professionals (NALP) based on the employment statistics reported to the Akron Law Career Planning & Placement Office by members of the Class of 2013. The employment type and salary information are all self-reported to our office by our graduates. Every ABA-approved law school is required to provide this information to NALP and the attached is a standard reporting document that every law school receives from NALP. For further information on law school employment and salary reporting, please go to the NALP Research and Statistics webpage at <http://www.nalp.org/research>. As this summary report shows, 148 of 160 members of the Class of 2013 for whom employment status is known (92.5%) reported being employed nine months after graduation.

If you have any further questions or would like to speak to a member of our Career Planning & Placement Office staff, please e-mail us at lawcareerplanning@uakron.edu.
