\*Please consult with Graduate MAP Program advisor to determine the number of MAP credits needed and which JD credits will apply toward the MAP degree. This document was created by School of Law Student Services Office and only accounts for the 88 credits required for the J.D. degree. We hope this mapping guide is helpful in balancing both programs. Please contact Director of Law Student Services, Ivy Banks at [ikw1@uakron.edu](mailto:ikw1@uakron.edu) if you have any questions or would like to create a mapping strategy that works best for you once you know how many MAP and JD credits will be needed for the MAP degree.
