*Please consult with Graduate MBA or MTax Program advisor to determine the number of MTAX or MBA credits needed and which JD credits will apply toward the MTAX or MBA degree. This document was created by School of Law Student Services Office and only accounts for the 88 credits required for the J.D. degree. We hope this mapping guide is helpful in balancing both programs. Please contact Director of Law Student Services, Ivy Banks at ikw1@uakron.edu if you have any questions or would like to create a mapping strategy that works best for you once you know how many MBA or MTAX and JD credits will be needed for the MBA or MTAX degree.
