Helping the youth of summit country with public housing and employment to build a stable future in spite of past legal mistakes.

Juvenile Reentry Assistance Program

What is JRAP?

The JRAP program is a grant funded program to allow youth to build a stable future by helping to address the legal barriers to accessing public housing that criminal history creates. JRAP is a partnership between Akron Metropolitan Housing Authority (AMHA) and the University of Akron School of Law (UA).

Juvenile Reentry Assistance Program

Are you worried about losing your public housing because someone living with you has a criminal history?

Do you have a friend or loved one who is having difficulty getting public housing or employment due to a criminal history?

There is something you can do!

The Juvenile Reentry Assistance Program (JRAP) can help!

Eligibility

All potential program participants must...

- Be aged 14 to 24.
- Have criminal history.
- Live in Summit County.
- Live in Public Housing.

More Information

- Participation in this program is entirely free of charge to participants.
- All legal services are provided to program participants free of charge through the University of Akron.
- Filing fees may be provided through the JRAP grant.

What we can do to help

- Legal services in juvenile and adult sealing
- Certificates of Qualification for Employment (CQEs)
- Child support modifications
- Driver's license reinstatement
- Additional supportive services may be available, such as intensive case management, job coaching, pro-social activities, career development, mentoring, job skills, educational support/drop-out prevention, job retention, financial education, and training and employment opportunities through agencies partnering with the JRAP program.
