Parent/guardian Consent Form for high school borrowers

PARENT / GUARDIAN ACKNOWLEDGEMENT

I understand that my child is applying for Internet access and material borrowing privileges from the University of Akron Libraries and that my written consent is required before that access can be granted. I acknowledge that my child's social security number is required for access to the internet and to the UA Libraries card catalog.

Additionally, I understand that Internet access opens the door to a wide range of materials on the World Wide Web, including materials of explicit nature, not intended for children. I acknowledge that the UA Libraries cannot monitor what my child views on the internet.

I acknowledge that I have read and understand the above statements and that I agree to these terms and conditions. By signing this form, I give my written consent for my child to access the Internet from the UA Libraries. I agree to take personal responsibility for my child's use of the UA Libraries public computer workstations. I will not hold the University of Akron responsible for what my child views on the Internet.
