

International Speaker Opportunity For Your Organization

Add an international flare to your organization by having The University of Akron's International College Ambassador give a presentation to your group!

The International College Ambassador is a study abroad scholarship student who serves as a university representative and ambassador during his/her educational experience. The International College Ambassador learns about the new culture through living experiences and participation in the social, cultural, and daily life of the country in which he/she studied. Upon return to the United States of America the International College Ambassador is available to speak about his/her international experience. Slides and other visual aids accompany the presentation.

The International College Ambassador Program was developed to advance international understanding through communication of personal international experiences to community and university groups in the Akron area. This scholarship is made possible due to the generosity of The University of Akron's Women's Committee.

Renee Warren is the 2007-2008 International College Ambassador and will be available to speak with your organization beginning in the Fall 2007 Semester. Renee is pursuing a Bachelor's Degree in Speech-Language Pathology and Audiology and studied abroad at Huron University USA in London, England, during the Fall Semester 2006. If you would like to make a reservation for the International College Ambassador to speak to your organization, please fill out the information below and return to the address as indicated.

(Please detach and mail to the address below)
