1983-1997 Independent Practice (part-time 1983-1990, full-time 1990-1997). A general clinical practice focusing on men, providing psychodiagnostic evaluations, individual, group, couples and family therapy. I developed an approach designed for men for a variety of presenting problems including anxiety, depression, alcohol problems, sexual dysfunctions, work stress, psychological complications of physical illness, and marital and family problems.

### **Clinical Supervisory Experience:**

1974-1975 Clinical Team Leader, inpatient unit, Human Resource Institute, Boston. Supervised professional staff.

1975-1988 Faculty Member, Counseling Psychology Program, Boston University. I integrated the field work experiences and provided group supervision for both the First Year Doctoral Practicum and the Advanced Doctoral Practicum. For several years I served as the Practicum Coordinator for the doctoral program.

1990-1997 Clinical Supervisor, Couples and Family Center, Cambridge Hospital at Harvard Medical School. I supervised, consulted, and demonstrated clinical interviewing techniques to psychology interns, psychiatry residents, and psychiatric nursing and social work trainees.

2000-2005 Clinical Supervisor, Center for Psychological Studies, Nova Southeastern University. I supervised psychology interns in the internship program.

2011- Clinical Supervisor for M.A./Ph.D students in Counseling Psychology, the University of Akron, Director of the Department of Psychology Counseling Clinic.

### **Administrative Experience**

1972-1973 Assistant Director, Robert W. White School, Erich Lindemann Mental Health Center. Second in command of a therapeutic day school for severely disturbed and delinquent adolescents. Supervised staff, designed the treatment milieu, curriculum and treatment programs.

1973-1974 Director, The Robert W. White School, Erich Lindemann Mental Health Center. Executive responsibility for a therapeutic day school for severely disturbed and delinquent adolescents.

1983-1988 Director, the Fatherhood Project, Boston University. Designed and directed a nationally renowned preventive outreach program that

developed and evaluated psychoeducational programs for fathers and their families. Designed programs, trained and supervised group leaders.

- 1997-2005 Dean, Center for Psychological Studies, Nova Southeastern University. NSU, located in Ft. Lauderdale, FL, is an independent, not-for-profit institution classified in the Carnegie Classification of American Higher Education as a doctoral/research intensive university. It began in 1964 and became the 8<sup>th</sup> largest independent university in the United States. The Center for Psychological Studies (CPS) is somewhat unusual, consisting of a graduate school of psychology with over 1400 students and a Psychology Services Center (PSC) serving patients throughout South Florida. NSU is decentralized and deans are responsible for their own budgets. The overall combined budget of the School and the PSC was then approximately \$16 million.
- 2005-2009 Dean, Buchtel College of Arts and Sciences, The University of Akron. The University of Akron is an urban university of approximately 25,000 students. Classified as a “Small Research University” under the Carnegie System, it is ranked fourth among all Ohio Universities in the research productivity of its faculty by Academic Analytics, and in 2015 fourth in Research Expenditures. The Buchtel College of Arts and Sciences is the oldest (1870) and largest college, generating then about 45% of all student credit hours taught in the entire university. My direct reports included 18 department chairs, 3 associate deans and 12 institute and center directors. My budget (expenses only) was over \$31M at that time.

### **Hospital Appointments:**
