Select Program and Degree

Click the active academic program link for which you wish to apply for graduation. At this time, the self-service graduation application is only available to undergraduate and law students. If you are a graduate student, please contact your academic advisor to begin your advancement to candidacy.

If you are pursuing a law or undergraduate degree and have an active degree program, you will have an active academic program link. After ensuring that your degree, major(s) and minor(s), if applicable, are accurate, click the active program link. If information is missing or inaccurate, you need to contact your academic advisor and discontinue the self-service graduation application process.

If you are pursuing a graduate degree, you will need to complete a printed Advancement to Candidacy rather than using the self-service graduation application feature.
