

# Residence Life & Housing Diversity Statement

## **Celebrating the Dignity of All People ...**

The Department of Residence Life & Housing celebrates and recognizes that the University community is comprised of persons who represent diversity at many levels ... diversity of thought, belief, race, ethnicity, culture and sexual orientation. All members of the University community are equal and accountable to each other.

Residence Life & Housing embraces the philosophy that all persons who are ridiculed and demeaned for their beliefs, culture, race, sexual orientation and/or ethnicity are entitled to "places where allies dwell" ... by definition, this includes UA residence halls and the offices of each Student Affairs staff member.

In a community of scholars, there is no place for hateful behavior. The Department of Residence Life & Housing affirms the dignity of all people.
