Please make an effort to congratulate **Louise Stefanov**, above, right, as the winner of the Ziptastic Award for September. She has been a student enrollment counselor in the Office of Admissions since 2014. Pictured with her is her nominator, **Beau Gannon**, an admissions counselor.

Stefanov joined the University in fall 2006, first working in the Office of the Registrar as a student enrollment counselor. She has also worked in the Student Services Center/Zip Assist. In her current position, Stefanov manages the Visitor Relations Center — the first stop for our prospective students visiting campus. The center also receives hundreds of phone calls a day. Stefanov assists families with scheduling campus visits, provides details about the admission process, checks the status of applications, assists school counselors and administrators with their questions and our campus community with student files and much more.

The honoree says what she loves most about her job is working with students, office or campus colleagues, prospective students or their family members, and school administrators.

"Louise is always so welcoming, going out of her way to get to know the students and the people she works with," says Gannon. "Now that I have known Louise for a little over a year, I realize this is not above and beyond for Louise; this is completely within her character. She is dedicated to UA and I am lucky to know and work with someone as kindhearted as Louise. She is well deserving of the Ziptastic Award."

Don't forget to send in your October nominations by Oct. 10 by completing the Ziptastic online nomination form available on the [Staff Employee Advisory Committee website \(http://www.uakron.edu/seac/\)](http://www.uakron.edu/seac/).
