

I, _____
Student Printed First and Last Name

am aware of the need to develop my professional self & willing to learn how to do this from my field agency and the school.

completed all the steps required to learn how to locate, complete, and know the importance of the three main field documents: Time & Task Logs, Student Integrative Learning Contract, and Student Evaluation.

am adequately prepared to accurately complete the three major field documents.

reviewed the website to ensure I know the location of the “other” evaluations and realize that I need to complete these at the end of each semester.

agree that as a result of attending and participating in both Part I and Part II of the Field Orientation, I am aware of the requirements, responsibilities, and the expectations of a field student in the School of Social Work.
