

**The University of Akron**  
**Division of Student Affairs Strategic Plan 2008-2018**

**Design Principle I, Leadership:** Institutional leadership requires leading among peer institutions; globally or national ranking; seeking to lead in the economy of the city of Akron, the state of Ohio, the nation and the world; and requires a climate of shared leadership.

**Priorities:** 1. Will dedicate and share its professional expertise and scholarship to the campus and global community. 2. Will develop an operational expense and capital improvement plan which identifies and prioritizes capital projects and purchases, and identifies options for acquiring additional internal and external funding. 3. Will recruit, support and retain highly qualified student affairs professionals to provide exceptional customer service initiatives for campus community.
