

Sigma Nu

The men of Sigma Nu worked hard over summer to prepare for this fall semester. We are still changing things inside our newly acquired chapter house at 233 Spicer St. This semester we are looking forward to a big candidate class. We initiated 10 brothers this fall. We are also looking forward to Greek League flag football.

We will be holding our annual philanthropy November 4th. We are holding Game Ball Run 2006. The men will be running the game ball football from Bowling Green, OH to Akron, OH and onto the field before the game as the Zips take on the BG Falcons that Saturday at the Rubber Bowl. All proceeds from this fundraiser will be donated to Cystic Fibrosis in memory of Mike Burkett, a Sigma Nu brother who fell from Cystic Fibrosis in 2000. Any questions please contact us.

Phi Kappa Tau

We hosted our 2nd Annual Volleyball Tournament on April 22, 2006. We had a great turnout with 21 teams entering in the competition. Through the whole event, we raised \$1300 for the Hole in the Wall Camps. We will be having our 3rd annual Volleyball Tournament this coming spring, on April 21, 2007.

At the beginning of this fall semester, we started off with 9 different recruitment events. Every one of the events turned out very well. For our final rush event, we had a rock concert with four different bands, which turned out to be one of the best rush events we have had in years.

We are going to be having our annual Alumni Thanksgiving Dinner on Wednesday, November 22, 2006.

Kappa Kappa Gamma

First and foremost-Congrats to all the sororities for their amazing new ladies during this formal recruitment! We are super excited because we got 13 AMAZING new women and we are still holding some informal COB events! We are also holding our Founder's Day coming up October 15th and Kappa Kappa Gamma has our balloon pop on October 21st at the Homecoming Football Game at the Rubber Bowl, so definitely come out and support our Philanthropy for Kappa Kidney Camp, which we hope will have better weather than last year. Other than that the women of Kappa Kappa Gamma are just getting to know our wonderful new women and trying our best to dominate in Flag Football! Go Kappa Kappa Gamma!

Phi Delta Theta

The men of Phi Delta Theta have been hard at work planning activities and recruiting for the new pledges of the 2006 fall semester. Such activities include bowling at Stonehedge, getting together at BW3's, cookouts and games of poker at the house. The fraternity has also been busy getting major repairs done around the house, and generally making the house look better with projects and various other sundries. The fraternity is looking forward to viewing plans for a new house that should be getting built in the future and is currently in the process of meeting requirements for such an awesome project to be completed. On September 11, 2006 the men of Phi Delta Theta had a remembrance for the victims of the terrorist attacks on that day five years ago. Collin Cousineau played the bagpipes outside of the Memorial Clock in front of the Student Union, and those that showed up to remember the victims surely felt the solemnity of the event by Collin's exquisite performance. Concerning sports, the men of Phi Delta Theta are involved in intramural kickball and flag football and are excited to play and bring back wins. .

Lambda Chi Alpha

From the Philanthropy side of Lambda Chi Alpha, we have been working hard at our Fall Philanthropy, The North American Food Drive. We currently have raised \$1,250 dollars just from Corporate Sponsors. We have also raised \$319 dollars thanks to the supportive Greek system for our North American Food Drive September 21st. We currently have two upcoming Philanthropy events, the first being Presidents Kidnapping on October 15th, where the Presidents of each chapter will be held for ransom of canned food or monetary donations, and our final event our Food Drive Day Pick. All of this combined we hope in achieving our goal of 50,000 pounds of food to add to the total collection of food that will be collected by Lambda Chi's all over the United States and Canada..

IFC

This years Interfraternity Council helped change the face of recruitment for Greek Life. Recruitment this year has been a huge success because of the dedication of our chapters and IFC Officers. IFC held four very successful recruitment events that brought in over thirty- two names to pass on to our eleven chapters. Overall, each chapter has grown stronger with the use of IFC Recruitment.

We, the women of Delta Gamma, have been very busy lately with many activities. During recruitment, we received twenty-one new amazing women. We held our annual Tee - Off, a golf outing at Turkey Foot Lake Golf Course, on Saturday September ,23rd where we raised over \$1400 for our philanthropy; Service for Sight and Aid to the Blind. We also kept ourselves busy that day by attending Greek Night at the Rubber Bowl.

Alpha Sigma Phi

This fall the men of Alpha Sigma Phi have been putting the finishing touches on our Petition for Charter which is to be submitted this semester. This marks another milestone for the chapter. The spring of 2004 sparked the beginning of the interest group when two members from the national organization visited campus and recruited the first eight members of the group. After continuous recruitment and member development the group reached its second milestone on December 6, 2004 at which point the group officially became a colony. This semester Alpha Sigma Phi plans to pledge nine gentlemen into the group. In addition to chartering goals, the group is also preparing for some all Greek events throughout the semester. This October the Sigs will be reprising their role as promoters of alcohol awareness by co-hosting the Rootbeer Kegger with ZPN. In early November, be sure to look forward to the second annual Puppy Love event to raise money for Canine Companions for Independence. Another event to look forward to this semester is the "Up 'til Dawn" event which will be taking place in October with the finale in April next year. The men would also like to take this chance to wish everyone a successful semester and they look forward to participating in and supporting the other chapter's events throughout the semester.

Phi Gamma Delta

The fall semester has been a busy and eventful one for the men of Phi Gamma Delta. Our main focus has been on recruitment, and so far we have had many successful events. One of our more notable events of the semester was Spicetemberfest, which was a dry social event co-sponsored by Campus Focus. This is the second year that the Phi Gams and Campus Focus have held the event. There were many activities throughout the evening such as an inflatable obstacle course, live DJ, and of course plenty of food.

In addition to recruitment, we have been putting a lot of effort towards our 7th Annual 5K Race benefiting Akron Children's Hospital. The race is being held on Saturday, October 7th at 10 am. We have also been focusing on community service, campus involvement, academics, and athletics. The men of Phi Gamma Delta would like to wish everybody good luck for all of their events this semester, and look forward to seeing everybody on campus.

Alpha Kappa Alpha

The lovely ladies of Alpha Kappa Alpha Sorority Inc, have had quite a busy semester. They have been very active in the community. We recently volunteered for the Heart Walk at the University of Akron along with the graduate women of Alpha Kappa Alpha. NPHC recently had a week of events, such as a movie night, an informational, and a forum for students to learn about how to prepare for the professional world, the ladies of Alpha Kappa Alpha were active in all of those activities. Look forward to our upcoming events of AKA robics, and financial aid workshop.

Theta Chi

The Fall Semester of 2006 is proving to be a busy and exciting time for the gentlemen of Theta Chi fraternity and the year has hardly just begun! One of the most notable events in the last month has included volunteer work at the Time-Warner Akron Marathon as well as clothing donations to the Haven of Rest on East Market Street. Besides exercising our motto, to extend "the helping hand", the chapter has been enthusiastically competing on the football field in the Men's Greek flag football league on campus. Also, we have plans to participate in Walleyball and Soccer later this semester. Additionally, Theta Chi supports our fellow Greek organizations by our participation in Alpha Gamma Delta's "Lip Jam", Alpha Delta Pi's "Pi-Tech" as well as FIJI's 5k Run. The chapter has been honored to be chosen to host the annual Mid-Year Leadership Challenge in which Theta Chi chapters from all over the Great Lakes area will be traveling to Akron to share ideas on chapter operations and to build brotherhood. Recruitment has also been a main focus and the chapter has been successful in recruiting many new and potential members who show certain promise in ensuring the immediate and future success of Theta Chi.

Thanks to all that helped at move-in!
