## IMPORTANT INFORMATION TO CONSIDER

| Summer Enrollment | **Awarding will be based on actual enrolled hours at the time your application is processed.**  
|                   | • Aid is based on the hours you indicate in the “Summer Enrollment” section of the summer aid application  
|                   | • Changing enrollment may change or cancel your aid or delay your student loan disbursements.  
|                   | • If processing of your summer aid is not completed before your fees are due it is your responsibility to pay the invoice or use the IPP Program  

| Aid Preference | **2013-2014 FAFSA must be on file and verified**  
| **Federal and State Aid is based on 2013-2014 FAFSA**  
| **A Summer Aid Application must be on file to receive summer aid.** | • Indicate all financial aid for which you would like to be considered  
| | • Any change in your schedule after aid is disbursed could result in you owing a balance to The University of Akron:  
| | **Examples:**  
| | • (1) You register for 6 hours and are awarded Pell Grant. We disburse half-time Pell Grant in the amount of $500. You withdraw from a 3-hour class that did not begin yet or prior to the 15th day lock in date. We are required to reduce your Pell to the below half-time amount of $250 and bill you for the $250 you are no longer eligible to receive.  
| | • (2) All aid is disbursed and an excess aid check is issued. You drop a 3-hour class and add a 4-hour class—you are responsible to pay difference in tuition for change in schedule.  

| Installment Payment Plan (IPP) | Applications available online at [www.uakron.edu/busfin/studentfin/](http://www.uakron.edu/busfin/studentfin/)  
| | Contact Student Accounts Office, Simmons Hall, (330) 972-5100 for specific details!  

| Summer Disbursements | Aid will be disbursed 10 days prior to the start of Summer 2013, provided:  
| | • Processing has been completed; and:  
| | • You are registered for the minimum number of credit hours  
| | • Excess aid refunds will be processed from the Student Accounts Office within 5 to 10 business days after aid is disbursed to your account.  
| | • Pell Grant will apply as anticipated aid, but will not disburse until 7/02/13.  

| Refunds | If you drop during a refund period, financial aid that paid your classes will be returned to the federal/state programs  
| | If you received an expense check, you may be billed for the portion of the refund which must be returned to the specific aid program  
| | If you completely withdraw from all classes on or before the 60% point of your total enrollment for summer, you will not have earned 100% of your financial aid and a portion will be returned to the appropriate federal programs  

| Standards of Satisfactory Academic Progress | If you are in violation of Satisfactory Academic Progress, all summer aid previously applied to your summer fee invoice will be cancelled and you will be billed |

| Fee Remission | • Complete and return fee remission card to the Office of Student Accounts prior to the awarding of your Federal Financial Aid  
• **Graduate students:** the Graduate School will add your award to the financial aid file  
By law, fee remission is considered part of your financial aid package; therefore, if added after your federal aid is processed/disbursed, some or all of your federal aid may need to be reduced. |  |

You must accept your loans on line at My Akron (https://id.uakron.edu/idp/Authn/UserPassword) before the loan(s) will be transmitted to your lender and applied to your account.  
You will need to complete a new Master Promissory Note if you did not borrow during the 2012/2013 aid year, and new borrowers (who have not borrowed in the past) will also need to complete Entrance Counseling. Both can be completed at www.StudentLoans.gov  
Effective 7/1/12, Grad and Law can only borrow Unsubsidized Direct Loans | • Borrowing during the summer will reduce your 2013-2014 annual loan eligibility for fall/spring  
• The combination of loans under both programs cannot exceed the annual maximum eligibility |
| ADDITIONAL LOAN PROGRAMS: (Based on Credit)  
PLUS Loan (Parent Loan for Undergraduate Dependent Students)

• **Alternative Loans** are private (non federal) loans offered through banks to supplement financial aid awards up to the cost of attendance and are based on credit worthiness of the borrower. If a student does not have established credit, they will need a co-signer.  
For additional information regarding the application process for these loan programs, visit our website at www.uakron.edu/finaid. View the programs under Loan Programs. | • All of these loan programs are based on credit rating  
• Registration requirement for each of these loan programs is half-time enrolment.  
• 2013-2014 FAFSA is required for the Grad PLUS and Parent PLUS loan. A FAFSA is not required for the Alternative/Private Educational Loans |
## LOAN PROCEDURES AND DISBURSEMENTS

### Determining How Much to Borrow

- Maximum loan amount(s) will be awarded and posted on My Akron. If you do not want to borrow the total award amount, you can reduce the loan amount at the time you accept the award.
  - You must go on line to [https://id.uakron.edu/idp/Authn/UserPassword](https://id.uakron.edu/idp/Authn/UserPassword) to accept your loan before they will be transmitted or applied to your account.

**REMINDER:** Loans borrowed during the summer will reduce your Fall/Spring 2013-2014 loan eligibility.

- We strongly suggest borrowing only the amount necessary for summer, since it will reduce your fall/spring loan eligibility.
