The
University
of Akron

You have joined to The University of Akron's 60+ program. This program allows you to enroll in classes at the university for audit with little or no cost. This document will get you started with the basic information you will need.

First, you will be given a Student ID#. This is a seven-digit number, and it is what our system uses to pull up your information. We can then add you to classes.

You will be given a UANet ID. This is usually your initials followed by numbers. The UANet ID is what you use to log into our system called My Akron.

For example:

Name: Zippy Marsupial

Student ID Number: 1234567

UANet ID: zm123

Once you receive your UANet ID, you will need to call our IT Help Desk for a password. Write down what they give you. It is usually a random set of letters and numbers.

After the first time you log in to My Akron there is a way to change the password to something that is easier for you to remember.

IT Help Desk – 330-972-6888

MFA OR MULTI FACTOR AUTHENTICATION

- Multi-factor authentication is a process where a user is prompted during the sign-in process for an additional form of identification, such as entering a code on their cellphone or providing a fingerprint scan.
- If you only use a password to authenticate a user, it leaves an insecure vector for attack. If the password is weak or has been exposed elsewhere, is it really the user signing in with the username and password, or is it an attacker? When you require a second form of authentication, security is increased as this additional factor isn't something that's easy for an attacker to obtain or duplicate.
- See the PowerPoint on setting up your [Multi Factor Authentication](#)

Both your Student ID number and your UANet ID will be on your Zip Card.

Once you have been enrolled in your first class you can go to the Zip Card Office and get your Zip Card.

Your UANet ID is also your Akron email. For example, if your UANet ID is zm123, then your email address will be:

zm123@uakron.edu

This is important because future 60+ enrollment notifications will be sent to your email. You can access your email in your My Akron.

Here is where you can access your Akron email.

The screenshot shows the 'My Akron Experience' website interface. At the top, there is a navigation bar with 'Favorites' and 'Main Menu' on the left, and 'Default Tab | Feedback | Sign out' on the right. Below this is a date and time indicator: 'Tue, Jan 5, 2016 8:11 AM'. The main content area is divided into several sections. On the left, there is a vertical sidebar with various service icons: Student Center, Springboard, E-Mail (highlighted with a red arrow), DARS, OrqSync, Placement Tests, UANet Services, eRefund, and Parking. The main content area features a 'News' section with a 'GenEd Core' tab, a 'Resources' section, and an 'Alerts' section. The 'Alerts' section displays a message: 'You have no alerts at this time' and a 'The Akron Experience' banner. Below the banner are several categories: Award and Recognition, Career and Academic Planning, Volunteerism, Global and Cultural Awareness, and Personal Growth, Wellness and Fitness. The 'Academics links' section contains a list of links to various university departments and services.

Also, all 60+ students have a hold to prevent you from registering for classes on your own. This hold will always be there.

All registration goes through the Adult Focus office. That includes Adds and Drops. That will not change. We are responsible for reporting on this state mandated program.
